News from the Department

Henri de Groot presents the 2018 edition of the Economic Outlook Metropolitan Region Amsterdam

On 20 June, Henri de Groot presented the Economic Outlook Metropolitan Region Amsterdam 2018 (Economische Verkenningen Metropoolregio Amsterdam) during the opening session of the WeMakeThe.City festival. The report states that the Amsterdam Metropolitan Region developed strongly after the financial crisis and will continue to do so in the coming years. The research was carried out by the Department of Spatial Economics of Vrije Universiteit Amsterdam, represented by Henri de Groot and Maureen Lankhuizen, in cooperation with TNO, NEO Observatory and Ecorys.
