Premaster Finance

The pre-master programme consists of 30 ECTS (5 courses of 6ECTS each) and runs for half a year (February till July). The pre-master programme is only to be taken by students with a suitable HBO degree. It is a bridge programme that aims to prepare HBO students for studying at a university. Therefore, it mostly consists of courses that provide training in academic reading, reasoning, and writing, research methodologies and statistics. Each master has its own pre-master programme. Upon successfully completing the pre-master programme you are entitled to enrol in the master programme.

The premaster Finance programme presumes you have sufficient basic background in corporate finance and financial markets. Therefore, before you enter the programme in February, we urge you to read up on the following chapters from the two standard textbooks that we deal with in the Corporate Finance and the Investments courses. These chapters are assumed known before you start the course.

- Berk and deMarzo (2013) Corporate Finance. Chapters: 1-13, 21, 30.
- Bodie/Kane/Marcus (2013) Investments. Chapters: 1-4.
